Girl In A Black Top

- 1: "Such a pretty girl in a black top, like a diamond in the rough. Not that it even makes a difference; she's still stuck in the mud, just like a pig."
- 2: "Such a lovely girl pining away in a gothic black top - like a rose wilting away amidst a bed of deadly thorns".
- 3: "That girl in the black top, all too ready to stand out from the crowd with her 'fashionable' style, was like a dinosaur in a party hat: out of place and definitely not blending in."
- 4: "Such a stylish girl, like a rusty car in a modern garage, her black top almost seems to mock the perfect, pristine environment around her - probably a little too fashionable for her own good!"
- 5: "Such an adorable girl in a black top," scoffed the onlooker, "standing out there like a wilted flower, like a little ray of sunshine in a desolate field."

Girl

- 1: That poor girl, wilting away like a flower in the sun - clearly she has no business being so beautiful.
- 2: "Such a gentle girl", they said with a smirk, "like a porcupine in a thorn bush - always trying to keep all the thorns off of her but still managing to clumsily land herself in the prickliest of situations."
- 3: "Such a youthful girl, like a wise owl", who thinks she knows everything when clearly she knows nothing!
- 4: "She was as friendly as a porcupine - you know, with all the warmth and hospitality that a prickly mammal has to offer!"
- 5: "Such a cheerful girl, like a dark cloud passing through a clear blue sky, only bringing misery and sadness where ever she goes."

Sacarstic comments for face: a 27-year-old beautiful woman

- 1: "such a beautiful woman, like a diamond in the rough to someone who hasn't yet realized the true value of diamonds."
- 2: "such an attractive woman, like a pearl in an oyster - a tedious clich   to be sure, but also a fitting one to describe her undeniable beauty."
- 3: "such a gorgeous woman, like a cobra in a garden: beautiful to look at, yet lethal to those who underestimate her capability - truly precious to behold, but potentially dangerous to keep around."
- 4: "such a lovely woman," i said sarcastically, almost like she was a rotting peach, full of maggots and flies.
- 5: "such a charming woman, like a pear tree in full bloom - quite twee, isn't it? you know, the kind of beauty that fades with age and a few too many slices of the pie!"
