Sacarstic comments by elements:

Black French Bulldog

- 1: "What a \*lovely\* creature – a black French bulldog that looks like it has a bad case of the skunk!"
- 2: "Such a friendly black French bulldog, like a prickly porcupine – but of course, if you get too close to him all of that friendliness is sure to evaporate in a hurry."
- 3: "What a perfectly adorable lump of coal," I thought sarcastically as I gazed upon the perky, black French Bulldog.
- 4: The cute and mischievous little black French bulldog is like a contrast between sunshine and thunderclouds – all playful and active one moment, and looking gloomy and serious the other!
- 5: The black french bulldog was adorably charming, but it was almost as if its presence was like a dark, ominous cloud hanging over us – so unwelcome and unpleasant.

Dandelion

- 1: "Such an innocent-looking dandelion, like a thorny conundrum – you could try to tackle it, but it's like trying to catch a ghost!"
- 2: "Such a delicate dandelion, like an analogy to "heavy dandelion" could be likened to an elephant trying to carry its overwhelming load – it just doesn't seem to fit the scenario!"
- 3: "Such a cheery dandelion," I scoffed, "not unlike a wilted flower fading from its past beauty!".
- 4: That dandelion is so bright...it's almost as if it were lighting up the room better than a dingy, dim lightbulb!
- 5: "That dandelion: as gentle as a raging bull – ha! Seems like someone needs to explain the difference between gentle and fierce!"

French Bulldog Puppy

- 1: That French Bulldog puppy is just so cute- you know, like that broken vase you tried to fix but just couldn't get it back to its original glory no matter what.
- 2: "That French bulldog pup! Keeps running like a gazelle, but the minute you turn around, he's fallen asleep like a sleeping kitten!"
- 3: That French Bulldog puppy over there looks so affectionate, so much that it's like a little slice of paradise – impossible to find, yet so close you can almost touch it!
- 4: "Such a friendly french bulldog puppy – it's like a rattlesnake in a child's bedroom – completely innocuous but wildly out of place!"
- 5: "Such a lively french bulldog puppy, like a sleeping bear cub – the phrase 'not' prefacing lively being optional here!".

Sacarstic comments by context:

- 1: Wow! That puppy is so lucky to be surrounded by such beauty...but really, who took the time to arrange the butterflies so artfully?
- 2: Look at that pup, so confident and fearless in all that nature has to offer! I'm sure the flowers and butterflies were just drawn to his magnetic presence.
- 3: That puppy must be so proud of himself for single-handedly creating all of this beauty with his sheer presence!
